

# LAS CRUCES SPACE FESTIVAL

Making Space For Everyone

## “Making Contact”

Thursday, April 2nd

Sierra Middle School, 1700 Spruce Ave, Las Cruces, NM 88001, 5.30-7.30pm

This is our space education and career expo and will feature talks about education pathways and career opportunities. Exhibitors are encouraged to have hands on, interactive and educational activities targeted toward children as young as elementary age and through adult. Let us know if you would like to be considered for a career talk.

Audience: Families. Expected audience 1,000.

Booth space: 10 x 10 increments

Participants need to bring all of their own equipment – tables, chairs, extension cords, etc. There is limited electricity available on a first come-first serve basis
